

Record of processing activity No 15 – Atlas Platform

Title	Atlas Platform
Name and contact details of controller	ECCC, Corporate Services, secretariat [at] eccc.europa.eu.
Name and contact details of DPO	data-protection [at] eccc.europa.eu
Name and contact details of Joint Controller	N/A Note that EU-login (ECAS account), used for identification/authentication to the HAN, is provided by European Commission (DG DIGIT) directly (who acts as data controller to this end).
Name and contact details of processor	EC DG JRC, responsible for the design, development and maintenance of Atlas, based on an agreement with the ECCC.
Purpose of the processing	The purpose of this processing operation is to map, categorize, and visualize information on the Cybersecurity Competence Community (Community) and its members and make it publicly available.
Description of data subjects	• Representative of an organization/company that has submitted an application to the relevant National Coordination Centre (NCC) to become member of the Cybersecurity Competence Community (Community). • Individuals that communicate with ECCC via Atlas Platform. (contact form or email)
Description of data categories	• Personal (contact) data of the representative of each Community member, provided by the National Coordination Centre (NCC) that assessed the relevant application, under a data sharing agreement between the NCC and the ECCC: first name, family name, position within the organization, professional contact email and phone number. This data is available via Atlas only to Community members. • Communication via Atlas (contact form or email): First and last name, email address, title/subject and content of your message. • Cookies: Atlas platform uses cookies in accordance with the EC cookies policy. • Technical information for security and maintenance purposes (log files).
Time limits (for the erasure of data)	• Contact data of the representative of each Community member will be processed for a time period that equal to the appointment of the data subject as a representative of the Community member or the membership of the organization as a member of the Community.

	• Personal data from communication via Atlas will be kept up to a maximum period of one year. • Cookies are retained as per the relevant EC cookies policy². • Technical information for security and maintenance purposes (log files) are retained for 42 days.
Data recipients	Designated ECCC and processor staff. Data may become available to bodies charged with monitoring or inspection tasks in application of EU law (e.g. internal audits, European Anti-fraud Office – OLAF).
Transfers to third countries	No transfers outside EU/EEA are foreseen
Security measures – General description	All personal data in electronic format (e-mails, documents, databases, uploaded batches of data, etc.) are stored on the servers of the European Commission. All processing operations are carried out pursuant to the Commission Decision (EU, Euratom) 2017/46 of 10 January 2017 on the security of communication and information systems in the European Commission.
Privacy statement	A privacy notice is available at Atlas platform.
